Re: Petition of Sprint Spectrum, L.P., Nextel South Corp., and NPCR, Incorporated d/b/a Nextel Partners (collectively "Sprint"); T-Mobile South, LLC d/b/a T-Mobile (collectively, the "Wireless Carriers") with CTIA – The Wireless Association to Intervene and Petition to Institute Investigation of Tariff Revision No. E2011-69 of Global Tel*Link Corporation
Docket No. 2011-366-C

Dear Ms. Boyd:

Please accept this letter, on behalf of New Cingular Wireless, PCS, LLC d/b/a AT&T Mobility ("AT&T Mobility") in response to the letter Global Tel*Link Corporation ("GTL") filed in this Docket on October 6, 2011.

By directive dated September 21, 2011, the Commission held that the GTL tariff at issue in this docket will be "automatically suspended during the pendency of this docket" if the Commission has not received notice from the parties that the issues have been resolved by October 11, 2011. In its October 6, 2011 letter, GTL asked for a thirty-day extension of this deadline to "allow the parties additional time to discuss GTL's proposed revised language" that it had provided to the parties two days earlier (on October 4, 2011).

AT&T Mobility has not yet developed a position on the proposed revised language, but it would not object to a Commission order providing that the GTL tariff at issue in this docket will be automatically suspended during the pendency of this docket if the Commission has not received notice from the parties that the issues have been resolved by November 11, 2011.

Sincerely,

Patrick W. Turner
